

JUNE RESALE

The June Resale is always held the 2nd Monday in June from 9:00 a.m. until 4:00 p.m., from day to day, until the sale is completed. The June resale is based on taxes and/or special assessments that are delinquent for four years and have not been paid. This property is auctioned off to the highest bidder for CASH ONLY.

Keep in mind, the owner can come in and redeem the property until the deeds are filed in the clerk's office.

The county treasurer's primary function is tax collection. We make every effort to see that tax deeds are issued in accordance with the statutes, but the buyer assumes all responsibility and liability on purchase.
